Cleaning Sinks With Scoop Dryer

Stöckel cleaning sinks with the new integrated scoop dryer made of stainless steel 18/10 are the best hygienic solution. The scoop dryer with the special developed whisper injector dries the inner and outer bowl with compressed air after cleaning the scoop with the scoop shower. Waterdrops no longer get into the ice cream. Just 4 bar compressed air is enough. Available for wall mounting in different sizes or as an in counter model. Compressor is not included in delivery.
